Dear Ms. Bacon:

I am writing to inform you that I have attained the services of a Public Accounting Firm in order to solve our aggregate issues. The July 15, 2006 report will be amended to reflect the proper dates since the dates were incorrect. The accountant, Mr. H. O'Neil Williams of Mitchell & Titus has requested our records in order to reconcile our reports and bring this problem to a resolution. I am requesting for an extension because he said that it is not possible for him to analyze the records in such a short time. In the event that you desire to contact the accountant, he can be reached at 973-643-3236.

I have explained to him that we need this to be done expeditiously in order to be in compliance. I am currently putting all the records together to meet with him again early next week. As soon as he finishes with the files, I will be able to amend and correct the errors that appeared on our record.

I appreciate your patience in this matter, and I will work with him to bring this matter to a close.

Sincerely,

Craig A. Stanley
